COOPERATIVE ADVANTAGE

RELIABLE PLANT MAINTENANCE AND TIPS PARTNERSHIP

The Interlocal Purchasing System (TIPS) is a national purchasing cooperative that leverages the purchasing power of governmental entities in all 50 states. Utilizing the TIPS cooperative contract, you can rely on an expedited contract procurement process. TIPS streamlines the procurement for members by developing RFPs and submitting them for competitive solicitations. For details on our rigorous process, please visit our page on [how cooperative purchasing works](#).

Through Trades, Labor & Material Contract #230104, awarded reseller Reliable Plant Maintenance, we can deliver complete value in helping your buildings stay comfortable, healthy, and safe.

We work with state-of-the-art equipment and provide ongoing training for our technicians, all of whom are EPA and TDLR certified. We offer industrial HVAC design and industrial HVAC design services. We can effectively meet a wide range of commercial HVAC needs, including diagnostics, repairs, maintenance, installation, and replacement of complete comfort systems. We facilitate the process every step of the way with open communication, documentation, and the professionalism your company deserves.
